

BANGLADESH AGRICULTURAL UNIVERSITY

Re-advertisement for One (1) Ph.D. Scholarship

**One (1) Ph.D. Scholarship available under the
'Enhancing Food Safety in Fish and Chicken Value Chains of Bangladesh'
- An USAID Funded Project**

A collaborative research project (among the Texas State University, Bangladesh Agricultural University, and Dhaka University) funded by USAID entitled '*Enhancing Food Safety in Fish and Chicken Value Chains of Bangladesh*' will urgently hire one (1) Ph.D. student. The students will work on food safety issues and public perceptions of the value-added products of fish and chickens' value chains.

The Ph.D. student will work at the Department of Microbiology and Hygiene, Bangladesh Agricultural University, Mymensingh-2202. The candidate must have a Doctor of Veterinary Medicine (DVM), followed by MS in Microbiology or MS in Veterinary Public Health and Food Hygiene degrees or related degrees. At least two peer-reviewed journal(s) publications are necessary, of which one should be with the first author. Good commands of English in reading, writing, listening, and speaking are required. Skilled in data analysis will be considered an extra qualification.

The applicants must agree to travel around the country for data and sample collection and other purposes as deemed by the project objectives.

Details procedures of the application are available at www.bau.edu.bd. For further queries, please get in touch with the principal investigator, Prof. Dr. Md. Saidur Rahman, Principal Investigator of the project, Department of Agricultural Economics, BAU, Cell: 01733980428, e-mail: saidur.rahman@bau.edu.bd. Or you may write Prof. Dr. KHM Nazmul Hussain Nazir, Co-PI of the project, Department of Microbiology and Hygiene, BAU, Cell: 01893195552, e-mail: nazir@bau.edu.bd.

N.B.: Qualified female candidates are encouraged to apply.
